- **The X2 sparkled** during the listening test
- The picking of the guitar chords **sounded wonderfully flowing and floaty.**
- The system reproduced the **impulses powerfully, precisely, and quickly.**
- The X2 lured the **details of the string and wind instruments** out of the groove wonderfully. That was a **sovereign performance.**
- Our test candidate X2 behaved proverbially, **solid as a rock.**
- The **turntable-tonearm combination** played **well above its price range in every way.**
